HEALTH HAZ MAT

Onsite Hazardous Waste Treatment Symposium for the Tiered Permitting Program (PBR & CA)

Facilities that treat hazardous waste are required to renew annually by providing appropriate Unified Program (UP) forms, update closure cost estimates for inflation, and possibly obtain a financial assurance mechanism. The Los Angeles County Fire Department's Health Hazardous Materials Division is pleased to invite you to a training Symposium. Your attendance will assist in gaining an overview of your onsite treatment regulatory responsibilities and provide you with tools to comply.

Topics to include:

- ✓ Financial Responsibility/Financial Assurance
- ✓ Closing a Hazardous Waste Facility/Site
- ✓ Financial Assurance Mechanisms
- ✓ Applying the Mechanisms
- ✓ Maintaining and Updating Coverage
